18.0 The State of Nevada established the Governed Guinn Millennium Scholarship in order to increase the number of Nevada students who perform well in high school and then enroll in, and graduate from an *eligible institution* of higher education in Nevada.

An eligible institution is an institution at which a qualified student may receive a Millennium Scholarship. Eligible institutions are:

- a. a university, state college or community college of the Nevada System of Higher Education (NSHE); or
- b. any other nonsectarian institution of higher education in Nevada that
  1. was originally established in, and is organized under the laws of the state,
  2. is exempt from taxation pursuant to 26 U.S.C. §501(c)(3), and
  3. is accredited by a regional accrediting agency recognized by the United

States Department of Education.

To receive a Millennium Scholarship, a student must meet the requirements of this Millennium Scholarship policy and enroll in an eligible institution. The admission requirements of eligible institutions may be different from the requirements for the Millennium Scholarship. The receipt of a Millennium Scholarship does not guarantee admission to all eligible institutions, nor does it guarantee admission to all programs at eligible institutions. The NSHE recommends that students who plan to attend the University of Nevada, Las Vegas, or the University of Nevada, Reno, seek an advanced high school diploma and check with the institution for information on admission requirements. (B/R 6/05)

(B/R 8/03)

18.4 Certification of eligibility for high school graduates will be established by a list provided by Nevada high schools. In other circumstances, evidence may be submitted by applicants to the Millennium Scholarship Office.

18.5 A Nevada resident who meets the requirements set forth in section 18.1, 18.2 or 18.3 shall receive a Millennium Scholarship if the student:

18.6 Millennium Scholarship lifetime limits

18.6.1 The maximum total Millennium Scholarship award is \$10,000.

18.6.2 All qualified students who graduated from high school on or before May 1, 2003, may receive a Millennium Scholarship during the eight academic years following (a) their high school graduation date <sup>3</sup>, or (b) the date when they satisfied the requirements of section 18.2.

18.6.3 All qualified students, who graduated from high school after May 1, 2003, may receive a Millennium Scholarship during the six academic years following (a) their high school graduation date <sup>4</sup>, or (b) the date when they satisfied the requirements of section 18.2.

(B/R 8/03)

An exception to the limitations of 18.6.2 and 18.6.3 is made for qualified students who serve on active duty in the United States Armed Forces. Time served on active duty, not to exceed six years, will not apply to the limitations in 18.6.2 and 18.6.3.

(B/R 8/03)

18.7 Students who have a documented physical or mental disability or who were previously subject to an individualized education program under the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., or a plan under Title V of the Rehabilitation Act of 1973, 29 U.S.C. §§ 791 et seq. are to be determined by the institution to be exempt from the following Millennium Scholarship eligibility criteria:

- c. time limits for expending funds set forth in sections 18.6.2 and 18.6.3.

(B/R 6/05)

18.8 Millennium Scholarship recipients may enroll in and receive the scholarship for summer term as long as they meet all eligibility requirements and all continuation requirements, excluding the requirements of 18.5a.

18.9 A student may simultaneously receive a Millennium Scholarship at more than one eligible institution if the student meets all of the following conditions at each institution in which the student is enrolled and seeks to receive a Millennium Scholarship:

An exception to the requirements of 18.5 and 18.9 (a) is made for a student who is a Millennium Scholar at an institution where a course not taught by that institution is a requirement of the student's program. In that case, the required course, with the approval of the student's institution, may be taken with Millennium Scholarship support at a different eligible institution.

(B/R 6/05)

18.10 The maximum amount of a Millennium Scholarship award each semester or summer term is determined on a dollars-per-credit enrolled basis as set by the State of Nevada<sup>5</sup>.

- a. Beginning January 1, 2006, total semester disbursements may not exceed the cost of 12 credits per semester at any eligible institution based on dollar-per-credit rates set by the State Nevada for the Millennium Scholarship.
- b. Millennium funds cannot be used to pay for remedial/developmental courses defined as any math or English course with a course number less than 100.

(B/R 6/05)

18.11 The Millennium Scholarship may only be used for costs related to attendance that are not covered by other grants or scholarships. The financial aid office in each eligible institution shall administer the Millennium Scholarship and calculate the amount of the scholarship for each student. Costs of attendance shall be defined by the institution and shall include, but not be limited to, all costs defined under federal financial aid guidelines.

(B/R 6/05)

18.12 Appeals related to initial eligibility shall be handled on a case-by-case basis by a standing Millennium Scholarship Appeals Committee appointed by the Chair of the Board of Regents. The Committee shall consist of representatives of the Board of Regents, the NSHE's universities, state colleges and community colleges, one representative from an eligible non-NSHE institution, and the Governor and State Treasurer or their designees.

- c. Beginning January 1, 2006, all students with initial Millennium Scholarship eligibility occurring after May 1, 2003 must:
  1. maintain a 2.60 semester grade point average for each semester during their first year of enrollment (first year is defined as less than 30 credit hours earned); and
  2. maintain a 2.75 semester grade point average for each semester thereafter.
- d. The student must satisfactorily complete the credit requirements at each institution in each fall and spring semester in which enrolled. The credit requirements pursuant to section 18.5 (a) require at least 6 semester credits if enrolled at a NSHE community college and 12 semester credits if enrolled at another eligible institution. (B/R 3/04)

(B/R 6/05)

18.14 The Board recognizes the importance of a rigorous high school curriculum in adequately preparing students to succeed in college-level courses. (B/R 3/06)

18.15 A Millennium Scholarship recipient who fails to maintain the conditions of continuing eligibility as required in Section 18.13 is no longer eligible for the Millennium Scholarship.

a. Eligibility will be reinstated if the student subsequently enrolls without Millennium Scholarship support at an eligible institution for the credit hours and grade point average required in Section 18.13(b) and 18.13(c) for the semester enrolled. (B/R 3/04)

b. Beginning in Fall 2005, all entering and continuing students who lose eligibility more than once (from Fall 2005 forward) will no longer be eligible for a Millennium Scholarship.

(B/R 6/05)

18.16 A student receiving a Millennium Scholarship who transfers to another eligible institution shall continue the Millennium Scholarship provided that the student has maintained eligibility as defined in Section 18.13. After transferring, a student must meet all the conditions of Section 18.13 at the new institution in order to remain eligible for the Millennium Scholarship.

18.17 (section removed)

18.18 Any refund that would normally be given to a student who has withdrawn from courses for which Millennium Scholarship support has been given shall be transferred to the State Treasurer's Office.

18.19 The Millennium Scholarship Office established by the State Treasurer is responsible for transferring funds in a timely fashion to eligible institutions for all Millennium Scholars, maintaining data on all Millennium Scholarship candidates and recipients, and verifying that students have not exceeded the \$10,000 lifetime maximum.

18.20 The State Treasurer shall prepare a list of all eligible Millennium Scholars for each graduation year. This list shall be conveyed to the Chancellor for transmittal to the Board of Regents. The Chancellor may act on behalf of the Board of Regents to certify the list of eligible students to be transmitted to the State Treasurer.

(B/R 8/03)

18.21 The standards set forth in this section are subject to amendment, and are not intended to and do not create any right or interest in liberty or property or establish a basis for any cause of action against the state, its political subdivisions, agencies, boards, commissions, departments, officers or employees.
